Timothy Podlewski, Principal

Welcome!

It is with great pride that I welcome you to Yake Elementary School! We are so fortunate to have such a talented and dedicated staff, wonderful students, and actively involved parents and community members. At Yake, we love teaching and learning and are committed to providing your child(ren) with rich learning and educational experiences.

We are proud of our state of the art facilities and the exemplary educational program we provide to our students. Our curriculum is based on the State of Michigan Benchmarks and the National Common Core State Standards. It is aligned to best meet the needs of our students and the requirements of the State and Federal government. Language arts, math, science and social studies are taught in every classroom at every grade level. Our classrooms are newly renovated with new technology for both the teacher and student to help facilitate learning and promote higher achievement.

As the father of two Yake Gators, myself, rest assured that our standards and expectations in every classroom are top notch. I look forward to working with you this school year. I invite you to stop by the office or join me for a Coffee & Conversation morning so that we can meet in person. Whether as one of our Watch D.O.G.S. or as a PTO volunteer, I welcome you to involve yourself in our school.

Together, our possibilities are endless.

Sincerely,

Tim Podlewski

Principal
