

**Week of:  
March 20, 2017**

## Tim Bits

- Special "Thank you!" to all of the parents who joined us for Parent-Teacher conferences this past Thursday. We had an attendance rate of just over 92%. Actively involved, well-informed parents/guardians really are the greatest assets in a child's life. By working together, our Gators will grow into some truly amazing young men and women.
- Please remind your Gators that we are dressing in Camping attire (flannels, jeans, hiking boots, scouting uniforms, etc.). This will be a fun dress-up theme even though most of our staff members were born after this era. :-)
- Please also remind our grandparents about our **Grandparents Social** on **Tuesday morning**. The event is great for grandparents and Gators, alike. Grandparents will love drinking coffee and juice with their Gators while reading a good book or two. \*Our pre-schoolers and their grandparents are more than welcome to join us, as well. \*\*If grandparents are not available, other special family members like aunts and uncles are welcome to join us, as well.

- **WB Education Foundation— Signature Event**  
*Thursday, May 4th at Crystal Gardens from 6-10pm Dinner, entertainment, silent auction, raffle, Open Bar. \*Mrs. Conner has tickets for \$50.*

*Let's show the Foundation Board that we are supportive and appreciative of the grants given to our building and to the Woodhaven-Brownstown School District. At Yake, alone, grants received have totaled over \$8,000 to date!*
